He's been borrowing this book from the library for years and we finally got around to buying it. **Why does my vagina stink** For Christmas I naturally found as much Stinky and Dirty merch as I possibly could and what better way to bring it home to my boy than the charming books that started it all? This is a hilarious cute little read, **Stink bug traps that work** There are other books in this Kate McMullan My 4 year old son enjoys it: **Roses are pink your feet really stink book** It hasn't become his go to favourite book but he still laughs and enjoys it when I pull it out to read: **I stink book activities** It has an imaginative storyline it's a fun read and the writing is good. **Book i stink** Kate McMullan I Stink!: McMullan Kate McMullan Jim: 9780064438360: Books I Stink! Can't go wrong with these two authors. **Why does my vagina stink** Kate McMullan Fantastic book my nephew (who loves garbage trucks) adores this book: **I Stink! epub**s Kate McMullan My son's favorite show is Stinky and Dirty on Prime, **I stink story** If you have a toddler or young child they are guaranteed to laugh at a truck that loves stinky stuff and eating garbage, **Why does my vagina stink** It's mildly educational and overall a lot of fun! Kate McMullan Volevo far conoscere i libri originali a mio figlio che adora lo Stinky & Dirty show. **Book i stink** Già sapevo Grazie ad altre recensioni che non era uguale ma non immaginavo così diverso. **I stink read aloud** I disegni sono orribili ma questo è un parere personale ed essendo in americano è tutto scritto in slang, **The great stink book** Non essendo molto ferrata in materia ho cercato comunque di leggerglielo così com'è traducendo dove mi chiedeva. **Why does my vagina stink** È dato molto faticoso e comunque non troppo gradito da mio figlio[1]

My kids age 8 and 6 like the book. They thought it is sort of a funny book. This book is great and so are all of their others. Kate McMullan Great condition arrived in good time. Non lo consiglio. Kate McMullan
