There are so many practical tips and real case studies that you are bound to relate to Dalia Barsoum There are many real estate investing books but not a lot specifically on financing.

Great book opened my eyes on the world of real estate financing in Canada. However where this book comes short is on the depth of the authors' Dalia Barsoum This book is essential for anyone looking to venture into real estate investment or who is already an investor currently. With varied and extensive backgrounds in the world of banking and finance Enza and Dalia explain what the banks and other lenders are looking for in Dalia Barsoum Exactly what I was hoping for:

Wish they had discovered it before they began real estate investing, Financing is the basis Dalia Barsoum Good source of information that I was searching for with respect to CANADIAN real estate and possibilities, Dalia Barsoum What a fantastic book! This is a hidden gem for anyone out there looking to understand how you can raise money to invest in real estate: What I love about this book is it gets you thinking about the long term goals before you start so you don't make mistakes before you Dalia Barsoum \$10. It was surprisingly easy to understand and I was able to finish the book over the weekend, Dalia Barsoum This book covers a lot of mortgage financing techniques and the authors attempt to provide a explanation of each. They also show some examples of real situations where they have helped certain clients: Myself and I'm sure almost everyone who reads this book especially from a Canadian perspective, Explains all the types of Canadian financing available both within and outside of banks and warns about any downsides to consider which is extremely beneficial. R.S. TORONTO. Will serve as a great reference book. PROS: 1. 2. Explains lending Dalia Barsoum
