I legit never want that series to end because these The Magic of Destiny: Emerald Lakes Book Four k okay i am not okay! first of all this was the HOTTEST book hands down! second that ENDING! aaaaaaah!!! The Magic of Destiny: Emerald Lakes Book Four

I took my time with this one. **Magical destination bulletin board** I didn't think I could fall in love with these characters any The Magic of Destiny: Emerald Lakes Book Four I was expecting this book to be the last after the 3rd one said it would be so I'm glad there is still another to come. **The game of my destiny** But I still love her!! Need the next book ASAP! So so so good! The Magic of Destiny: Emerald Lakes Book Four Absolutely amazing! The Magic of Destiny was a heart stopping jaw dropping swearing inducing crazy ride. I absolutely adore this world The Magic of Destiny: Emerald Lakes Book Four Oof: **Magical destination bulletin board** That cliffhanger was rough! Like I kind of need the last book now so my heart doesn't jump from my chest: **EBook The Magic of destiny card** Ive been hearing that word a lot lately and my opinion on the whole thing hasnt mattered one bit, **Book The Magic of destiny 1** No the stars have their plans and Ive been consulted about it a whopping zero times. **Book The Magic of destiny mastercard** Yeah that lasted an impressive two seconds and now one of them is gone: **Book The Magic of destiny** Does he want to be found? Or did he run? On top of that I have two siblings who have no idea I exist: **Book The Magic of destiny 1** My traitorous mother is on the run Asrael is making moves King Thane is making his presence known and Im seeing things again, **Kindle The Magic of destiny tracker** Fate has its own ideas and I can only hope defeating our enemies is on the agenda: **Book The Magic of destiny mastercard** The Magic of Destiny: Emerald Lakes Book Four Britt Andrews is an author of Paranormal Reverse Harem Romance novels. **EBook The Magic of destiny** She loves eating Mexican food reading all the books and living her best mom life in rural Ohio: **Kindle The Magic of destiny 1** Britt is a high energy extrovert who loves shattering glass ceilings and expectations. **The game of my destiny** She tries to bring her humor across in her words hoping to make every reader laugh out loud in public at least once trust us she'll get you when you least suspect it. **Kindle The Magic of destiny tracker** BRITT WHAT IS UP WITH THIS CLIFFHANGER?! There are actual tears as I write this review. **Book The Magic of destiny** I have so many words while simultaneously having none at all, **Book The Magic of destiny's** I appreciated how there was a trigger warning just before the last chapter. **Book The Magic of destiny tracker** I love all the connections within the group I like seeing how they all love The Magic of Destiny: Emerald Lakes Book Four Britt has done it again: **Magical destination bulletin board** I laughed I cried and I fell even in love with these characters. **Book The Magic of destiny** I could not have been happy when I heard that the series was going to be a bit longer than planned I didn't want to only have one book with these characters, **Magical destination bulletin board** The Magic of Destiny: Emerald Lakes Book Four It's official Britt Andrews is an emotional terrorist: **The Magic of Destiny book** Saige along with her men are just so perfect but they just can't catch a break, **Book The Magic of destiny's** I loved that the intensity from the previous books is kept up[1]

And I'm so glad it worked out this way. I didn't want it to end.

Horror The Magic of destiny credit

Destiny. Finally. I finally had all of my mates together. Things that I shouldnt terrifying things. Tensions are building toward an epic explosion. I can feel it in my bones. Failure means one thing in this battle. Death.I did not consent to this. I think my soul is broken. That cliffy hurts but I'm glad I got through it. The Magic of Destiny: Emerald Lakes Book Four.
