

Ghost of the Grotto: Starring Walt Disney's Donald Duck (The Complete Carl Barks Disney Library)  
By Carl Barks **Book Ghost of the grotto's** In Donald Duck and the Ghost of the Grotto Donald and his nephews try to harvest kelp at Skull Eye Reef in the West Indies but are soon menaced by a ducknapping ghost in armor who is determined to carry out a centuries old curse and a giant octopus who well what do you think giant octopuses do? Plus Fireman Donald and a second bonus story all written and drawn by Disney Legend Carl Barks! Ghost of the Grotto: Starring Walt Disney's Donald Duck (The Complete Carl Barks Disney Library)

Donald Duck was my favorite comic book during my youth in the middle 1950s. **The island home of the grotto** I personally am not always a fan of the Ducks but they're certainly funnier and appealing than superhero comics where they draw the women almost naked and people getting killed all the time.
