

Scars of Eden, The - Has humanity confused the idea of God with memories of ET contact? By Paul Wallis Do our world mythologies convey our ancestors' ideas about God? Or are they in reality ancestral memories of extra terrestrial contact? How do ancient stories of contact adaptation and abduction relate to people's experiences around the world today? The Scars of Eden will take you around the world to hear first hand from ancestral voices alongside contemporary experiencers and world renowned researchers. If world mythologies including the Bible have confused the idea of God with ancient ET visitations what difference does it make? How does it impact society today? And why is this cultural taboo so widespread and for the author so personal? Scars of Eden The - Has humanity confused the idea of God with memories of ET contact?.
