, I know it must be difficult deciding what songs to include in the book but I would like to see less duplication in the series: Most of the bass notes are very simple one or two notes: The songs are either 3 5 pages long and with the way the books are bounds it is difficult to turn the pages and then have the pages stay open: Perhaps with wear this would be less difficult but I am concerned about how well he the binding will hold up: I am glad to see that the lyrics are included with each song and the print is large enough to make it easy to read. I would say these books are for an intermediate in that the bass notes may not line up with the corresponding treble notes, In another words the left hand may be playing a different rhythm than the right, Thankfully the melody is found in the treble cleff and not on a vocalist line which is found in many other songbooks. Chords designations are also listed for guitar or can used to supplement the left hand: I am also thankful for these books being available and work done by Carol Tornquist in arranging these songs, Carol Tornquist Came within 3 days! The music is very simple and easy but has a nice sound to it: When it first arrived my kids sang them with as I played so I had zero practice time. Carol Tornquist I am no musician and just getting back to playing piano, I have had easy arrangements in past that didn't always sound good. I haven't played all in this book yet but so far very satisfied, Carol Tornquist I love this book! It's got a great variety of Christian artists from Chris Tomlin Steven Curtis Chapman etc: The arrangements are fairly easy too not too many sharps or flats. Carol Tornquist Arranged by prolific Christian music arranger Carol Tornquist this easy piano collection features the most popular praise worship and gospel songs of today, Lyrics and basic chord symbols are included along with helpful fingering and phrasing indications. Each arrangement is fun and easy to play whether as a piano solo or for sing alongs. Titles: 10000 Reasons (Bless the Lord) (Matt Redman) * Above All (Michael W. Songs are written either in the Key of C G or F. We really enjoy it. The pages themselves are a nice size and easy to read. As to the arrangements to me they sound good. Carol Tornquist I gave this as a gift.

Many beautiful songs. Appears to be not super difficult easy to read.4 □ WHY don't they make these Spiral bound??. UGH. I only wish it had Lauren Daigle or Jeremy Camp. Appropriate for an intermediate player such as myself
